

RELEASING *DIVINE* ANGELS

(8-12-19)

As we explore this topic, I would like everyone to keep all things we uncover or discover in BALANCE and Perspective. Balance is one of the most important attributes you can possess, especially when it comes to your walk with the Lord or in life!

I challenge you to open your own Holy Bible and search all this out!

Please allow me a few minutes of your valuable time so we can explore this subject as my prayer is to enlighten everyone to this tremendous gem, I've found to be helpful and true in my walk with the Lord.

Have you ever wondered about Angels?

Have questions risen in your thoughts about Angels?

Do they really exist?

Are all Angels good?

What are they?

Who are they?

Do they have a FREE Will?

What are their duties?

What types and kinds of Angels are there?

How many are there?

What powers do they have?

Have you ever been influenced or guided by Angels good or bad?

IF you believe the Holy Word of God then you know there are good and bad Angels (Demons).

The good ones remained with God after the overthrow attempt by Lucifer as he persuaded 1/3 of them (Revelation 12:4) to side with him in his revolt for power and control against the All Mighty. Leaving the other 2/3 who are loyal and true with God in Heaven. (Only God knows that true total number).

There are many references to Angels in the Holy Word of God that we should explore to see how God intends for us to use them, if at all, or how God empowers them and uses them for our safety and benefit or has them available for our use and service. I certainly can't speak to all this, but only what I've experienced or learned from the Lord that has been true in my life.

Some of the areas we will explore will get your mind to thinking and my prayer is to motivate you into dissecting these thoughts of yours even deeper by you exploring them further on your own using this information as the spring board for your future growth in the Lord, which I have found to be true in my life.

I suggest you write down all the times or situations of Angelic influence that might have been part of your life, you might be surprised on all the times you may have had encountered Angels!

I love the story when Elisha said to his servant in 2 Kings 6:15-17 “Do not be afraid, for those who are with us are more than those who are with them?” The problem was his servant SAW the armies of the Syrians all around them which prompted his fear and concern that they were going to be completely annihilated. That’s what caused Elisha to ask the Lord to open the servant’s eyes, once his Spiritual eyes were opened, he saw the mountains full of horses and chariots of fire ready to do battle! POWERFUL!

That is my desire that our Spiritual eyes are open so we can see clearly in both realms.

There is another mind-boggling verse Genesis 6:1-4: Where the “sons of God” statement refers to Angels, rather fallen Angels intermixing with “daughters of men”, there is a sharp contrast between “sons of God and daughters of men” here on earth. This is very deep and powerful.

Jacob met Angels when he was fleeing Esau in Genesis 32:1, this coincides with Psalms 91:11-12 when the Psalmist states: “For he shall give His Angels charge over thee to keep thee in all thy ways. They shall bear thee up in their hands, lest thou dash thy foot against a stone.” I don’t know about you, but these are powerful verses here about Angels and their interaction with us!

Unfortunately, we don’t know the full story of Jacob concerning his encounter with the Angels. Although we can conclude they protected him from Esau and during his entire life.

However, we have tremendous insight through this: God put Angels over us to keep us safe in a loving fashion, so we don’t even hurt our foot on a stone! Hebrews 1:14, WOW!

By the old Armenian Church, we use to attend, there was a railroad station where my friends and I used to go, while our parents were in adult Church, we use to hang out and get wild after we went to Sunday School. There were two sets of tracks one on the east and one on the west.

One Sunday while we were at the railroad station a train heading north, on the eastside track, where we were all standing, watching, as it passed by, once I saw the caboose pass us, I ran across the track to go to the westside. Thing was I could not see the west track as the train heading north was blocking our view. I ran behind the caboose and right there, without warning, was the southbound train, I saw the conductor yelling at me with his eyes wide open, his face pale, and a terrified look, but, nothing I could do, I could hear all my friends screaming in terror and the screeching of the train’s wheels.

The train was 20 or 30 yards away from me. Just then I felt like a gust of wind throw me to the westside platform, I escaped the train killing me. My mind was thinking, while this was all happening, my poor mom is going to find out that I was killed by a train while skipping out of church.

Next thing I know I hear the train screeching to a halt, my friends screaming hysterically, other people shrieking and a lot of commotion. I rolled over on my back and started to get up, I saw the conductor coming down the tracks, the station manager, my friends and other people, all not looking on the platform but at the tracks to see if they could find me or what was left of me.

When they started to see me on the platform they were crying and yelling, how did you not get killed. I said, I didn’t know but the wind pushed me up and away to the platform! I’m now more than convinced God’s Guardian Angel SAVED me that day.

In Hebrews 1:4 we are told that we are “so much better than Angels” as we have an inheritance.

In Galatians 1:8 Paul clearly says, “But though we, or an Angel from Heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed.” This is another powerful verse of information in the scriptures. Hold it, Angels can preach? Where, when? I want to see and hear them preach!

Don't forget that Satan and his demons disguise themselves as “Angels of Light”. Whoops wait a minute here.

How can they do this unless Angels really do walk, talk and look like people here on earth?

Ah, might be our first real clue!

Obviously, Angels and Demons can communicate with humans.

Wonder how many have talked with you?

You can't go to the store and make a purchase using a 15-dollar bill, can you? If you are going to counterfeit a bill it must have to first exist for you to try and pass it off as real, correct?

So, Angels MUST be able to communicate and interact with humans in order for Satan's disguise of an Angel of Light to have any effect to deceive, correct?

Well, brother, I just refuse to believe all that hokey poky stuff, you're getting way out there now.

2nd Corinthians 4:4 says the god of this world has blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God should shine unto them.

Well, well, well, WAIT! Why haven't we seen the real Angels? Ah, Satan's taken them out of our realm of senses over the years because he knows we can access their service to defeat him, not only that, but, we can use them to “Minister” to us as Paul tells us in Hebrews 1:13-14: “But to which of the Angels said he at any time, Sit on my right hand, until I make thine enemies thy footstool? **Are they not all ministering spirits**, sent forth to minister for them who **shall** be heirs of salvation? “

Are you looking for and expecting Angels in your daily walk with God? We sing “I can hear the thrush of Angels wings I see Glory on each face, surely the presence of the Lord is in this place”. But are we looking for them in our daily lives?

I don't know about you, but, I'm getting excited! Angels, from Heaven, sent to minister to me!!!

Please read Hebrews chapter one.

Look at Lot in Genesis 19, the whole chapter is staggering but I want to focus on verses 1-11 where Lot saw the Angels, greeted them, **“WHAT”**, begged them to come stay with him, **“WHAT”**, and then the men of the city, gay men, wanted to sleep with the Angels **“WHAT”**. Lot said, no I have two virgin daughters, take them and do whatever you want to them but leave these two men alone **“WHAT”**. Then the gay men started pressing in on Lot, the Angels grabbed Lot back into the house and as the gay men were breaking down the door to get in the Angels blinded them, WOW!

What kind of power do these Angels have?

These men wanted to have sex with the Angels! Really! Come on, this is unbelievable, BUT TRUE!

Later in the chapter Lot has the Angels guide them out to the mountain areas so they would not burn to death at the destruction of Sodom and Gomorrah along with all the cities in the plains!

Hopefully these few examples so far have stirred your interest in this topic?

How about Hebrews 13:1-2 Let brotherly love continue. Be not forgetful to entertain strangers: for thereby some have entertained Angels unaware. WOW! Hang on just a moment. You mean Angels look like people?

I remember a dear brother in the Lord one time telling me this story : while he was working for United Way he had a long hard week and was exhausted looking forward to going home early for the weekend; as it was just beginning to snow hard, a blizzard was starting when a wore out old man walked into his office, he was looking for some food and assistance. This dear brother looked at the man and said: "I'm sick and tired of you people looking for a handout". Just at that moment; as he was looking the man in his eyes he heard, very clearly, a voice say: "How do you know that I didn't send him" yet his mouth NEVER moved! This brother froze right then and began to write the man vouchers for everything he could give him.

He told his admin that he was leaving, and she could call it a day then followed the man out the door, only a few steps behind him. As he opened the door one thing struck him hard, the old man had walked out the door ahead of him yet there were NO footprints in the snow at all.

I was stunned when he told me this, I asked him "what did you do". He said, he went home terrified, repented and prayed all weekend and did not sleep one wink! Was it an Angel?

Back in John 1:45-51 when Philip told Nathanael about the Messiah and Nathanael was sarcastic? In verse 51 Jesus told Nathanael that he would see the Angels descending and ascending on the son of man. Are you kidding me! Angels will be seen descending and ascending from Heaven!

Stop right here.

Can one actually see Angels descending and ascending?

Guess so or Jesus would not have made that statement.

Can you imagine that sight?

Wonder if they are always doing that?

Are they just waiting to serve you? Might be!

How do you account for Colossians 2:18 Let no man beguile you of your reward in a voluntary humility and worshipping of Angels, intruding into those things which he hath not seen, vainly puffed up by his fleshly mind.

In Revelations 22:8-9 the Angel tells John NOT to worship him as he is of thy brethren! There must be different classes of Angels, right?

Archangels, Cherubim, Seraphim, Elect, to name a few that are known.

RELEASING *DIVINE* ANGELS

(8-12-19)

In Luke we find two great examples of Angels and man, verse 1:11-20 an Angel (Gabriel) comes to Zacharias tells him his prayers are answered and like a dope he questions the Angel.

Don't know about you, but, if an Angel comes and talks to me from God, I'm pretty sure I won't be questioning him just saying yes sir. Zacharias doubts and becomes dumb until the birth of John. Notice that he was not surprised or shocked to see the Angel.

In verse 1:26-38 we have Gabriel (same Angel) sent to Mary to give her the greatest news for mankind ever and she, at her young age, is not shocked or surprised to see the Angel but was troubled at the news, not his sight!

Then in Verse 38 she makes a statement for me that is the battle cry and heart attitude every Christian should live by **"Be it unto me according to thy words" Hallelujah!**

How do we know there are different classes of Angels? Look at 1st Timothy 5:21 I charge thee before God, and the Lord Jesus Christ, and the ELECT Angels! Oh, must be different classes huh?

Did you know we will be judging the Angels? 1st Corinthians 6:3.

The Scripture in 1st Corinthians 2:9 says eye has not seen, ear has not heard neither have entered into the heart of man the things which God has prepared for them that love him.

Now this sounds futuristic, however, I'm here to tell you there are things that God has given us that are within our power for today, mighty and powerful things, that the human mind could never conceive. Isaiah 55:8-9 God's ways and thoughts are not like ours. 1st Corinthians 1;27 God chooses the foolish things to confound the know-it-alls.

James 4:3 says ye ask, and receive not, because you ask amiss, that you may consume it upon your lusts

In Matthew 7:7 Jesus says ask and it shall be given you; seek, and you shall find; Knock, and it shall be open unto you:

Remember we know through the Scriptures that Satan deceived 1/3 of all the Angels in heaven and they have become demonic.

We also know through the Scriptures and through many experiences in life today that people can and are possessed by demons.

We also know through the Scriptures that we are on enemy territory subject to attack by all the forces that Satan can bring against a child of God.

We also know that there are worshipers of Satan, as unbelievable as that is.

The fact that these people acknowledge the existence of the devil is PROOF of the Holy and True God.

Makes me wonder "how stupid" are they?

What don't they get?

RELEASING *DIVINE* ANGELS

(8-12-19)

When Satan revolted against God he wanted to be in all power and worshiped.

In Genesis 3:1-7 when he deceived Eve, he got her to give into her own desire for power, he got her to “doubt” God and his Holy word when he convinced her to eat of the fruit.

Isn't that something, she could have everything except one piece of fruit, and she lusted for power, she wasn't going to be denied!

(Women must guard against ***“that Spirit”*** that doomed Eve; Satan has an advantage over you in this area! Be on guard always. In my company we have a motto: NETAC, ***Never Ever Take A Chance!*** If you as a woman are offended by this statement you are in danger! I gain nothing by this advice, it is for your life!)

Once she took a bite it was TO LATE! Nowhere to repent. So, she did not want to go down alone and gave it to Adam and Adam demonstrated the stupidity of man, he too ate it knowing better.

Sad truth, **Adam did not get deceived**, he ate it knowingly.

Here is a shock, in verse 5, Satan told Eve the truth! He was hiding his true perverted agenda.

Satan powerfully convinced Angels who were with God, for God only knows how many years, to betray him and leave His Love and abode.

DON'T EVER UNDERESTIMATE SATAN'S POWERS OF DECEPTION!

Now it would seem extremely harsh and unfair for God to put us here and not give us weapons to defend ourselves and to free those who are held captive by Satan at his will.

WHAT? Satan has a will?

His will is to steal, kill, and destroy. He is like a roaring lion looking to devour God's children! He is our ADVERSARY!!! 1st Peter 5:8

Satan has lulled Christianity into a trance! Like when you hear about family heredity of “Cancer RUNS in our family” or diabetes, dementia and so on. NO, NO, NO, no one has cast that lying spirit out of your family; ***RUN THAT SPIRIT “OUT” OF YOUR FAMILY!***

Surely with all the people Jesus healed he would have found one or two who he would have said that to, oops, sorry I can't heal you because this illness runs in your family, right? Or, can't heal you, it's for God's glory, stay sick!

Sickness, illness, tragedy and disease is NOT for God's Glory; God is NOT that small to inflict these types of things to get some sort of perverted Glory!

When you're as Great as God, you don't need to stoop that low!

Back in 1983 we were thrust right into a miracle healing service; people were being healed all over the Church. One sister who we use to bring to church from the nursing home she lived at, who was bound for many years in that wheelchair of hers, was sitting there watching everything,

RELEASING *DIVINE* ANGELS

(8-12-19)

when I came to her and said sister Jean, God can heal you too, she said to me: I know, but, I do not want to be healed. I asked her why not? She said, and I quote: "I will lose all my government benefits", shocked me!

I said, "don't you think that once he healed you, he would provide for you"? She answered, "I will not go up to be healed. What could I do, I left her in that chair, she eventually died still in that wheelchair. All the time she could have been healed.

Are Angels waiting to serve you?

Over the years we have heard and seen many FAKE preachers who have someone act as though they were sick, injured, crippled or dying come up on stage to get a miracle for everyone to see just so they could deceive the masses for their hidden purpose to get MONEY for themselves.

God does NOT need to put sickness, illness, or tragedy in your life, why? it's the goodness of God that leads people to himself. Roman's 2:4

Jesus never put himself on public display when doing miracles, some of them just happened in front of the masses, he would often tell the healed parties, tell no one!

Jesus NEVER paraded the healed around and said "see the great power of God", "See how God used ME to heal this person", "Come to God through ME", "What type of healing do you need? Demonstrate your faith, you want a little of God then go for the \$10 healing, the bigger the need the more you have to GIVE, SHOW God your faith".

Phony freaky liars! If anyone puts a dollar sign in front of your faith HE or SHE is a LIAR!

I wrote a book thirty years ago speaking about "Who is the God of the Holy Bible" that speaks to this subject, that speaks about God not being the one who puts tragedy, sickness, disease, etc. in our life's, more in depth.

Now someone is sure to say "Brother, I know so and so was sick and died and through their sickness several people were saved and so much good came through their tribulations".

I can agree with that statement, but it was because that person refused to give in and blame God and they became a wonderful witness through their tribulations. However, wouldn't God get even more Glory through a miraculous healing or miracle? Satan has suckered the Church!

Satan has gotten the Church to put our weapons down and accept sickness, disease, tragedy as God's will, **WHAT A LIE** Satan has sold the church.

He has convinced the Church that the gifts were only for way back when; please show me the scripture where anything has ended with regards to gifts, healings, casting out demons, etc.

The Scripture in 2nd Corinthian's 10:4-5 says the weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds. Casting down imaginations, and every high thing that exalt itself against the knowledge of God and bringing into captivity every thought into obedience about the knowledge of Christ; (This all comes to an end in the year 1201!)

RELEASING DIVINE ANGELS

(8-12-19)

Jesus tells us that nothing is impossible to us if we have faith, like casting a mountain into the sea, WITHOUT DOUBTING it will obey you, Mark 11:23. That is extreme, yet true, isn't it?

Is Jesus Himself sending us mixed messages, I think not.

Our weapons are **MIGHTY**, Miracles, gifts of healings, peace to calm the storms of life's situations, light in the midst of darkness!

You must **REFUSE** sickness, disease, or allowing tragedy in your life by using and sending out Angels to protect your loved ones as a preventative measure.

But brother why are many sick, ill, diseased, dying?

You may not like what I'm about to share here but non the less its true!

If you cling to **ONE** part of the Old Testament you get the **ENTIRE** Old Testament, curses and all. The entire book of Galatians speaks to this.

Galatians 6:10, For as many as are of the works of the law are UNDER the CURSE: for it is written, cursed is everyone that **continueth not in all things which are written in the book of the law to do them.**

Here's the powerful supporting verse to this statement: Galatians 6:13-14, Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, cursed is everyone that hangeth on a tree.

Why?

Verse 14, That the blessing of Abraham might come on the Gentiles through Jesus Christ: that we might receive the promise of the Spirit through faith.

Galatians 5:18 But, if you be led of the Spirit ye are not under the law.

Hold it right here.

We know that God has sent us the Holy Ghost through Jesus' own words, John 14:16-18 clearly demonstrate God's complete love and care for us. 14:26 goes on to say, The comforter IS THE HOLY GHOST!

Chapter 15 is where Jesus expounds on his love for us and his essence and how we are to be consumed by him.

In John 16: 12-13 Jesus tells us he is not telling his disciples everything, but, the Holy Ghost will guide us into all the TRUTH!

John 4:24, Jesus speaking, God is a Spirit and they that Worship Him MUST Worship Him in Spirit AND Truth.

Did you get that GREAT truth? Spirit AND in Truth!

RELEASING *DIVINE* ANGELS

(8-12-19)

Spirit first, yet, not just Spirit, but, in conjunction with TRUTH. It's like water; you can't have water without the wet they are joined together, just like here; Spirit and Truth.

When we are tied to the law, we are inadvertently tied to all the curses in the Old Testament!

My prayer is this writing is being used by the Holy Ghost to bring helpful revelation to all with regard to the use of Angles.

I wrote a book 20 years ago "True Freedom" which goes deep into this topic. Like the tithe, it is Old Testament, New Testament is we are to give offerings, no preset amount.

I know preachers don't like me talking about this as they know I'm speaking the truth here, but, want the 10% used as a minimum rule for the people.

I like the 100% rule in the New Testament, when we listen to God and give the amount, he lays on our heart, we are giving 100% percent in obedience and are free from the curses under the Old Testament!

I have revealed this truth to dozens of pastors who all acknowledge this to be true but want to maintain the "Tithe" as the minimum rule, or, as they put it, no one will give. I would rather preach the truth and get nothing than to put the people under the curse.

One pastor I was sharing this with said they found that truth a few years earlier and shared it with their congregation. They went from having services at the YMCA to a little old building that was a poolhall to a massive building.

That pastor told me their collection plate amount quadrupled which allowed them to do great things for the Lord AFTER they set the people FREE. (I wrote a book by that title too.)

When you have a concern over someone in your circle of love send Angels out to protect them.

If you hear a lie that you might have early signs of Dementia speak to that lie, "I don't receive any sickness, disease or anything other than 100% health in the name and by the powerful blood that Jesus shed at Calvary in my body in Jesus' name.

IF you're on medication, take them.

IF you need to see a doctor, then see one.

As your faith grows your need for other remedies will decrease as the LORD directs you, not man or guilt.

I go to the doctor; my purpose is to find out what may be wrong, so I know exactly what to pray against and ask God for!!

We have some clear direction in Ephesians 6:10-17 about the armor of God. It's time to KICK the crap out of Satan and his demons, turn around and go on the ATTACK and charge right at him and his demon cohorts. No compromising!

RELEASING *DIVINE* ANGELS

(8-12-19)

Paul compromised one time when Satan used the Apostils fear to get him to shave his head to appease the “JEWS” in **thinking** he obeyed and followed the law and look what it cost him? Act's 23 and 24!

For many years Paul was silenced, only being able to speak to the few people in prison rather than all those people he would have reached or would have come to him being free and able to go wherever the Spirit lead.

In Acts 25 Paul boldly claimed that everyone on the ship would be saved, right in the midst of a life-threatening storm, because an Angel of the God, whom he belonged to, stood by him during the night and told him so. Funny Paul wasn't surprised, shocked, startled, frightened or dumbfounded when he saw the Angel, nothing out of the normal as he casually stated this as if the Angel were a person named John, George, Don, Ron or Larry, he was accustomed to seeing and hearing from Angels evidently.

Someone is sure to say “But God told him he was going to witness for him in Rome, again, is God so small he wouldn't provide a way for Paul to get to Rome without being a prisoner?”

Just these few scriptures of which there are dozens which support the above Scriptures, makes it apparent that God has given us guidance for protection and Angels as guides and ministers.

How many would love to have or need Angelic ministering right NOW? And knowing the above Scriptures and the fact that he armed us with a sword isn't it apparent he doesn't want us to stand there and take a beating but to go on the offense.

We have evidence through the Scriptures that God has used Angels many, many times to come and rescue his people.

What about Peter in jail, sleeping in Acts when an Angel had to slap him on the face to wake him up, because in the morning he was going to be killed by the King, to get him to follow him out of the prison so he could rescue him. The Angel was used by God to set Peter free!

Hang on now, in Matthew 26: 51-53 we have Jesus stopping Peter from keeping his promise to fight for Him if a conflict ever arose, but, Jesus did not let Peter do so, froze Peter, left him defenseless, when he stated. “Thinkest thou that I cannot now pray to my Father, and he shall presently give me more than twelve legions of Angels?”.

Twelve legions, that's over 72,000!

We have the hills full of warring Angels in Chariots on the mountains for Elisha and now over 72,000 ready to fight for Jesus!!

How many Angels, and what type are at our disposal?

Nowhere in the Scriptures do I find the use of the Angels, by God, for us to use ending, nowhere.

In fact, in the book of Revelation everything that is carried out are by the Angels of God.

RELEASING *DIVINE* ANGELS

(8-12-19)

If you read the scripture in the beginning of Revelation when John is being told all events soon to take place, we have letters being written to the churches; however if you look at it carefully it clearly states and I quote; to the Angel of the church of.....write!!

Let's just stop right there and let that sink in, the letter is not being written to the church per se but to the Angel of the church. This alone is mindboggling!

Are you telling me that I am to conclude that there are Angels over the churches?

Obviously, the answer is yes!

A couple of the most amazing scriptures I find is in the book of Daniel, In chapter 6 after Daniel was thrown into the lion's den, King Darius, after fervently praying all night for Daniel, ran to the lion's den where he was sealed in with a large rock, went to see if the God whom Daniel served continually saved his life. Daniel proclaimed vs. 22, "MY GOD hath sent HIS ANGEL, and hath shut the lions' mouths, that they have NOT hurt me":

Now in Chapter 10, please read the entire chapter, we find Daniel was under heavy physical and emotional attack and 21 days **AFTER** he prayed the Angel came to him and Daniel's comment was, and I take liberty and paraphrase; where have you been?

Boy, I prayed three weeks ago for you, what took you so long. And the Angel spoke to him and said you listen here, before you finished your prayer, I was on my way, but, I met a fierce battle in heaven and God had to send help, Michael the Archangel, so I could break through and get to you. Hum, Angels have names.

Would you talk like that to an Angel of God? He knew it was an Angel too. How blinded are we? I paraphrase it this way because in verses 16-19 I'm so weak, all my strength is gone, boo hoo, hoo.

WHAT? Satan knows the Angels will come and rescue us?

He was attempting to STOP God's Angels from coming to the rescue, in the Heavens.

Are you kidding me, this indicates he knows what our prayers are, is this why Paul encourages us to PRAY IN THE SPIRIT?

Satan listens to what you say, your beliefs, fears, concerns, etc.

Guard your own tongue!!!!

I cannot emphasize this enough!!!!!!!

Come on Church, WAKE UP!

Satan plays for KEEPS!

He is robbing us; you can STOP him!

You were born for such a time as this! Esther 4:14

To me these are two powerful stories about Daniel.

Evidently, we can pray, and Angels will come, my question is, so why aren't we? This includes healings,

CAST THAT DEVIL OUT!

And if you noticed Daniel wasn't surprised to see the Angel he wasn't in shock and he wasn't in awe, in fact he began questioning and scolding the Angel as if he'd seen them before!

HE WAS EXPECTING HEAVENLY INTERVENTION!

I'm getting even more excited.

Ask for Miracles!

Ask, Ask, Ask in Jesus' Name.

The Angels are ready to FIGHT for and with you, need help, call out to God for his Holy Angles!!!!

Please remember to keep everything here in BALANCE.

Through this writing I seek to change our mindset when it comes to Angels interacting with us, as I can see the heavens full of Angels waiting to be released to come and help those who love our Lord Jesus Christ and God the Father and commune with the Holy Ghost.

Before we get deep into the Scriptures to support this, many years ago I tapped into this unknowingly, meaning this, with no head knowledge or heart knowledge. I used to send Angels out to the north, south, east and west to bring business my way and I actually had more business than I could handle so, like a dope, I asked God to stop, yes I agree with you, really stupid, unfortunately for me God honored my stupid request.

Now I send Angels out to find work, protect my children, grandchildren, greatgrandchild, family, friends, business associates, etc.

I've used Angels to bring peace to people who seem to have issues with us and across the path of unbelievers, the list goes on.

I've used Angels to do things I could never do as a human: I put people under "Holy Ghost" arrest too.

A dear brother called frantically one night as he received a call from his daughter-in-law that his son was acting all crazy, took his shotgun and went wondering down the street hours ago and no one could find him.

I told this brother we were going to send out Angels to bring him back to his senses and put him under Holy Ghost arrest.

An hour later he called back to tell me his son turned himself into the police and asked for help!

I used to go to a place called Second Harvest and fill my big cargo van with food, you would fill the truck with boxes of food, get weighed then pay for the food by the pound, and I would then give that food away to the poor, at one point I had a list of 144 families. Towards the end of that I was handing out food two times a month.

The pastor of a church I was attending found out I was handing out food to those in need, asked if he could get the church involved so on a set day he wanted to get the church's men involved so on a cold Saturday morning in December, in Wisconsin, as we not only were handing out food, we also were praying and healing those who came, an old woman asked me if I could help her.

She said she asked the pastor there to pray for her, but he ignored her. I said, what kind of a pastor does that? It was the pastor of the church who sponsored the food giveaway.

He's white, she's black, found out, weeks later, his purpose in assisting in the food giveaway was to get the people to attend his church for more money for himself, SAD.

I said, what's wrong mother?

She said she had to raise her two grandchildren; she was way too old to do that for them, as her daughter was running the streets doing cocaine and God only knows what else. I said, we're going to take care of that right now, as you could see she was very distraught and beaten down.

I said, Father God I ask that you send as many Angels and whatever types of Angels are necessary to find this Mothers daughter and put her under Holy Ghost arrest.

This woman came to our church the next day and was leaping and shouting for joy when she saw me and told me that; yesterday at 3:00 pm her daughter walked into the psychiatric ward of the hospital and asked for help with her drug addictions.

In fact, I've learned to let the Angels do more and more so I can do less and less. If their purpose is to minister to us then let them, right? After all they can go more places faster than us and they have way more power than us.

LET GO and LET GOD!

I was just reminded today while writing this that I use to send Angels into meetings or hearings to cast out every dark and demonic spirit before I ever walked into the room and that I would have favor with those in the room, or with court members and the judge.

One time when I had a court hearing about being cheated by a person, my attorney and I were in the room when the judge walked in and without a hearing, or testimony or anything announced that he was ruling in favor of the other party.

My attorney asked the judge how he could make such a decision. I stood up and said he was an unjust judge and that God would NOT permit him to live, God put him in that position of authority to do righteous judgment.

The sheriffs, my attorney and friends were pulling and pushing me out the courtroom. The judge just stood there looking like he just saw a ghost.

Later that day one of my friends who heard what happened to me in court called me and asked "did you hear what happened to your judge today"? I said no, he told me he got rushed to the hospital right off the bench as he had a blood clot rushing towards his heart and they did not know if he would survive the night.

I wanted to say; GOOD! But God told me to go pray for him. So, I did.

When I entered his room that same look I saw when I left the courtroom was on his face. I told him God sent me to heal him and that he was never to mis-judge anyone ever again.

God totally healed him, and he resigned from his judgeship.

We appealed his horrible decision against me, and the upper court reversed his decision and we won!

A friend of mine was struggling in his retail store and I told him about releasing Angels, we did so, the next day when I return he was star struck for some reason, I asked him what was going on and he proceeded to tell me that after we sent the Angels out people were walking into his store and buying everything off the shelves, broken items, incomplete items, items that sat on his shelf for 10+ years it was the single biggest day he had ever had.

Yet it did not fully register to him or me until just recently, that was over 25 years ago. I was partially blinded! Missed out on 25 additional years of fully using Angels and receiving more Blessings! My fault, stupid. I was blinded.

Today if Satan attempts to put a fear in me through thoughts, like your grandchild is going to be taken, I send Angels out to protect them and I'm more than confident it is done, and they are SAFE!

One day while at Arlington Park racecourse watching the Kentucky Derby, I felt, in my Spirit, that something was wrong in our family with one of the children, grandchildren, or nieces or nephews, so I sent Angels out to protect them all. I humanly speaking really did not know what this was all about, however, I do know when I get that type of feeling in my Spirit that it is God trying to warn and use me, so I just put out a blanket prayer.

I returned home after 6 pm to find out from my wife that one of our little nieces was taken right out of her uncles' home earlier that day.

My wife said to me; "What's wrong," as she said my eyes widened and face looked pale. I asked, what time was all this? She said early this afternoon. I told her what took place while at the track and that I sent Angels out not knowing what was wrong, I just sent out Angels to protect all our family's children. She asked me what time that was, I told her, and she said that's the time frame she was taken.

I was trembling inside, what IF I did not know about using Angels, I shudder to think.

She continued her story: the family of our niece's father is huge, and they had dozens of people searching for her within minutes.

She was gone with no trace, no witnesses, no cameras, no knowledge or leads as to who could have done this. They are from a small town in upper Wisconsin and the family is dozens of farmers, everyone, family, friends, neighbors all dropped their chores and started looking for her.

A short time later they found her 20 or 30 miles from home walking on an old county road!

She tells everyone that the man entered her uncle's home with a gun and took her.

As they were driving down the highway, she started to hear sirens and the man began to get nervous and pulled over and let her out unharmed! ***Glory to God in the highest!***

I told her dad a few weeks later when I saw him, what happened to me the day she was taken, the terror of the incident was still very evident in his face. He was grateful to God for using me to unleash the power of the use of Angels that day to save his daughter.

Let's get one thing cleared up right here and now, I'm not special, I have many faults and areas that I still need work in too, even after 40 years of walking with the Lord. This is proof that God can and does use anyone. I mean if he can speak through a four-legged jackass he can use a two-legged one also.

Keep in mind, like I said earlier, Satan wants to kill you or your children or loved ones. He also wants to take out an entire generation, think not? Look at all the times Satan's messengers have tried to wipe out complete nationalities, think not, look down through the years, I'll just mention recent ones. The Armenians and Jews!

In 1962/63 he successfully took God, His word and prayer out of American's public schools.

Back then, chewing gum in class was a big problem, guns, knives, bullying, drugs and a host of other things are the big deals of today. Wonder why, no God, no prayer?

Society today has other things of major concern, pigs seeking out children for impure sexual gratification, children being stolen and sold, Parents killing their children, children killing children, children killing parents or grandparents, children killing themselves, parents selling their children for drug money, see why the Kingdom of Heaven suffers violence. Matthew 11:12, Jesus said: From the days of John the Baptist until now the kingdom of heaven suffers violence, and the violent TAKE it by force.

Steal, our birthright and all the available benefits God has for us and our use

Kill, anything or anyone who is near or dear to us

Destroy, EVERYTHING or ANYTHING

Spirits run in family's alcohol, cancer, drug addiction, suicide, the list goes on and on.

A dear childhood friend of mine go himself into a bad way, when we were 17, we were asked to smoke some weed. I refused, he didn't he got in with a bad crowd, cousins, and wanted to fit in. He met a girl who he fell head over heels for and her brothers smoked weed. They got married and had three wonderful girls. He really got cleaned up and sober as he had gotten into drinking very heavily, after being sober and clean for quite a while he went to watch this brothers-in-law's bowling, he fell back into drinking that night and on his way home he hit a man who was drunk too walking across the street.

He was arrested and told if the man dies, he could face manslaughter charges, he was terrified. His parents went to his home and took all his guns from the house as his wife was afraid, he would hurt himself.

He was petrified to go to prison!

After his parents left his wife was downstairs with the children and they hear a loud bang. What she saw I will not write.

Big problem, his 5-year-old had seen the rifle under the mattress and forgot to tell mommy that it was there, need I say more?

After the funeral, a few day's later, I was sitting at his mother's kitchen table talking when she told me "His grandfather killed himself too, he walked right into the path of a semi-trailer truck".

I stood up and said, "There is a Spirit of suicide in you family, we have to bind that up and cast it out". So, we prayed and set out Angles to protect that family.

The next day I got a call from his mother, she told me she had gotten a call last night from her son-in-law asking if she knew where her daughter was?

Found out later her daughter was driving her car over 100 miles an hour, 30 miles from home, straight at a massive tree, as the note on the table, which her husband found, said "I can't take it anymore, I'm ending my life, sorry". They had 5 children!

She continues to tell me, her daughter, who I knew very well, was driving towards that tree at the very time we were praying!!

Her daughter said, "I was almost at the tree when I felt a presence telling me to STOP", she said she slammed on the breaks and came to a complete stop right at the base of the tree. WOW!

Now, you may not believe that Spirits run in families, but I DO!!!!

Satan is INSANE!!!!

Satan knows the hour glass is running for him so it's only natural for him to increase his agenda to Steal, Kill and destroy, right?

That is one of the reasons God has given us Angels to assist us as I've pointed out earlier.

By sending out Angels AHEAD of any disaster it is a preventative measure. When you get a fear put on you or a vision of something horrific enters your thoughts send your Angels out to STOP it.

Go on the offensive and ATTACK Satan.

Don't give him one centimeter of room in your life, don't give him access, it's up to you and you only to KICK HIM OUT.

The Scripture clearly states in Hebrews 1:14 are they not all ministering spirits send forth to minister to them who are heirs of salvation.

This NOW is your birthright.

Well that's what we've been talking about here, our ministering spirits, and how to utilize them to not only protect ourselves, family, relatives and others but to further the gospel of Jesus Christ and put the fear of God in Satan and his demons.

Fasten your seatbelt's tight because we're going to keep on the Holy Ghost ride right to the kingdom of God.

I was traveling from my hometown to a city about 20 miles away for a church service when I felt God telling me to go back to a friend of mines home right away. I reluctantly turned back and

RELEASING *DIVINE* ANGELS

went to his home. I was informing God that I was on my way to Church to worship him! Hello, like he did not know that.

God was completely silent! I knew what that meant, as I've tried those conversations in the past with him, so I shut up and obeyed. I was about 15 minutes out, so I sent Angels to freeze any area that needed God's love to intervene in, cast out any and all demonic activity and bring the peace of God there until I could get there.

I went to knock on the front door, I could see his wife through the window of the door throw something to her left. When she answered the door she said, why are you here?

I told her the Lord sent me, what's going on? She said nothing, her husband was not home, he was locked up.

As we talked, she said, you'll read about us in the paper tomorrow. I knew right then something was wrong. I pressed her to explain. Long story short.

She said she planned on killing herself after she killed her 2-year-old and newborn and what she threw on the bed when I knocked was the gun.

I went to the bedroom; the children were propped up on the bed between two pillows each. I will never forget that sight.

My knees were shaking, I spent the next few hours with her, we prayed, I took her to the hospital, got the children to safety and went home and praised God for using me.

As far as I am concerned Jesus was not given an advantage over any of us, meaning this, everything that was at Jesus' disposal is at ours in fact you'll read in the Scriptures many times where Jesus questions his disciples and says and I quote "where is your faith" meaning they should have been able to do the healings and miracles that he was doing correct?

Remember when the disciples asked Jesus why they could not cast the demons out the man's child, it's in the gospels, Jesus said, This kind only comes out by prayer and fasting.

HOWEVER, are we "**SOLD OUT**" to God like Jesus is and was?

And the Scriptures say God is the **same yesterday, today and forever**.

To me this indicates that God has never nor will ever change, he's very consistent and the Scriptures conclude, very accurately, the faithfulness of God and his demonstration of his loving kindness. Thank you, Lord Father God!

How many of you need ministering to?

How many of you would love to be communicating with Angels like the people of Faith in the Holy word of God?

How many of you would love to have Angels ministering to you? John 1:44-51, ME TO!!

How many of you have ever been overwhelmed by your situation in life, money, emotions, children, social, spouse, family, loss of a family member or friend, parent problems, or just life's daily pressures?

How comforting would it be to you to have Angels at your disposal to take care of all of life's issues?

Ever had a situation happen that you said, "I had a feeling something like that was going to happen"? Well that's how God warns us in advance of reality.

Now if you get a feeling about something not going right just send Angels to fix the situation, and make your own reality.

I had a dream one night that a building collapsed on me, in the dream I saw paramedics pulling me up from the basement of this building on a gurney I saw my friend and told him to call brother Schambach for prayer.

When I woke up just then I bound that dream up in the name of Jesus and sent Angels out to protect me from that disaster.

A long time later I was playing backgammon with the owner of the building I had the dream about, we were remodeling it, and while we were playing backgammon, I felt really dizzy so when we finished I said I'll go down and start working on his building.

Instead when I got outside to walk down to the building, I felt dizzy again, so, I thought I would go home and lay down for a few minutes. I slept for 3 hours.

I grabbed a quick bite to eat and headed down to the building. On my way there a friend of mine who had his art studio about two blocks away from the building saw me driving and came in the street and flagged me down, yelling at me, "Where have you been" I said, why? He said because David's building collapsed, everyone's been looking for you.

So I went to David's retail store, when I opened the door, David saw me and started yelling at me, "where were you, you had everyone looking for you in all that rubble", I asked why they didn't page me? He said, we did not want anyone to be alarmed.

I asked for the key to the building so I could see what happened, he said, be very careful as the floor might be unstable.

Once I got to the area where the force of the building collapsed, I froze. The hole was the exact one I saw in my vision.

The force of the collapse was right in the center of my tape player, as we use to listen to Christian tapes while we worked. I had totally forgot that dream until I saw the collapse.

It was a direct hit!

Heed God's warnings, use the Angels, ask God for healing, being set free, miracles, protection, whatever the need or concern.

You have nothing to lose by doing so, but possibly everything to lose by not doing so.

Today is July 21, 2019, I thought I was done and planned on ending this writing here, but guess what happened:

On July 19, 2019 our daughter, Krystal, was taking her three children and a niece and nephew up north by Great Grandma and Grandpa for a parade where some children could win bicycles.

As always, I pray for their safety and send out Angels to watch over them and keep them safe, especially when they are in upper Wisconsin and since a bear has been hanging around Grandpa's house, they also like to go on the four wheelers.

We get a call in the evening that they were in the path of a tornado, the terror of the event was evident in our daughter's voice: She tells her mother as she was driving to uncle Mel's home her van was pushed aside like nothing.

The children were going to sleep in the camper with her, but they did not enter the camper yet.

People were scrambling all over the place, her cousin Josh was telling them to get into the machine shed, the children were frantic, trees were snapping and uprooted, barn doors were being blown off, the camper where the children and Krystal were to sleep in got picked up by the wind and slammed back to the ground, powerlines were being broken, it was chaotic.

As Josh and other nieces and nephews were heading to the machine shed Josh yelled to everyone to get under the tractors as the machine shed door was being ripped off by the wind!

Found out later these were several Macro Burst wind gusts, basically a down draft similar to a tornado.

Long story, short. God saved our daughter, grandchildren, and the entire family's as no one was hurt at all.

Barns collapsed, destruction everywhere, power will be out for days, but EVERYONE'S lives were spared WITHOUT injury, thank you Lord Jesus.

The storm DID NOT hit the house or the garage where they were all seeking shelter!!!!

It reminded me of a time when I was in Dallas for a convention.

During the middle of the night I heard all these sirens warning of a tornado, I opened my hotel room door to see nothing.

The sound of a train was evident, but I could see nothing, no one running for shelter, no one directing people where to go, no idea of what to do, I could hear the sound and feel the effect of the wind but no clue where to go in case of an event like this.

I was tired, so I went back up to my hotel room and asked God to protect me and I sent out Angels to guard me while I went back to sleep.

In the morning when the cab driver came to get me, he showed me the damage and said our hotel was on the news, I was part of a miracle.

RELEASING *DIVINE* ANGELS

(8-12-19)

I asked, why, he said the tornado was heading right at your hotel and then took a sharp left, then continued east, then went back to the south and then back to the east, it went up to your hotels, went around it, then went back on its original course!

As we were driving and he was showing me the tornado's path, it had come to within 100 yards of the hotel, turned sharp and followed that same path about 100 yards around the hotel.

I would have to say the Angels made it miss the hotel, praise God Almighty!

As I'm writing this many other situations have come to my mind of where Angels have intervened, but I'm going to cut it off here and let you write your own accounts of where, when and how Angels have been involved in your life.

You have it within your authority and gift from God, please start to put it to use!

Jesus calmed the storm; he was actually disgusted with the disciples for not doing it themselves.

What do you need from God?

Ask, and you SHALL receive.

Consider it done it's been available to us ever since creation began, only thing is the devil has blinded our minds to this wonderful benefit that the children of God have at their disposal.

It's time to take the blinders off!

You are free in Christ Jesus and no longer under the curse and you have divine Angels at your service.

How you choose to use this information is between you and God. I know how I'm using it.
